

LARK CREEK® RESTAURANT GROUP PRESENTS

THE 23RD ANNUAL DUNGENESS CRAB FESTIVAL

FEBRUARY 1
THROUGH
FEBRUARY 29

Local Dungeness crab is one of our culinary jewels. And when we say local we're serious; the fleet calls Fisherman's Wharf home. But anyone can *buy* a great crab. It takes more work to *serve* a great crab. We buy live crabs and cook and clean them every day, for every item. Not everyone does. Throughout February, our chefs will prepare many succulent crab dishes like Steamed Crab with Shoestring Sweet Potatoes and Chile-Lime Drawn Butter; Cold Crab Tacos with Jicama Slaw; Dungeness Crab Cakes & Filet Mignon with Green Garlic Béarnaise, and more.* Join us for the best crab you can get your hands on, without getting cold and wet yourself.

*Menus change daily. Dishes reflect the availability of the best ingredients.
